...the branch manager had been talking about replacing Movie Night with something else.

Adult Programming

The library's public meeting space was all set up and ready to go. I had the chairs lined up in neat rows, a table topped with snacks and cold drinks, and the laptop linked to the ceiling-mounted digital projector.

I stood there beside the white screen, pacing back and forth and waiting for the first film buff. Movie Night was one of several adult programs that we offered at the library. The monthly event was my sole responsibility. I handled everything—selection of the movie, promotion, set up, hosting, and clean up.

Tonight I was hoping for a good turnout. The last few months had been dismal at best. Hell, it wasn't uncommon for nobody to show up. I had spent many a Movie Night watching the film all by myself, sitting in the dark munching microwave popcorn and swilling soda and getting paid for it.

Not a bad gig, really. Still, it would have been nice to fill some seats; if for no other reason than to justify the continuance of the event.

Citing poor attendance, the branch manager had been talking about replacing Movie Night with something else. I had no say so in the matter. Bingo Night. Trivia Night. Poetry Night. He had mentioned all of these, none of which struck me as even remotely appealing...

"Dead, huh?"

Sissy's voice gave me a start. I turned to find her framed in the doorway. "Like a morgue," I replied. "Looks like tonight's going to be another bust..."

"Yeah," she said, "it's been really slow at the circulation desk. I've only had two patrons in the last hour."

Sissy was our newest employee. She had started two months prior, a recent college graduate eager to get her foot in the door. I liked Sissy. She was laidback, funny, and quite the looker, too. Easy on the eyes, for sure.

Mine devoured her as she ventured into the room.

"Here." She proffered a DVD wrapped in a plastic grocery sack. "If nobody shows up, and you get bored with tonight's movie, give this a try."

"What is it?" I asked her.

"A little something from my private collection," she told me as she walked away. "I think you'll like it."

My curiosity piqued, I opened the sack and pulled out the DVD, receiving quite a shock as I peered at the case...

Sizzling Solo Sluts #7

Four masturbation scenes featuring a bevy of young talent; but that wasn't all, not by a long shot... One of the performers was our very own Sissy!

The movie—a lighthearted buddy cop film from the 80s—was scheduled to begin at seven o’clock sharp. I waited not so patiently until seven thirty. When nobody had shown by then I dimmed the lights and loaded Sissy’s DVD into the laptop, muting the sound lest some curious patron decided to investigate the source of what was sure to be a lot of moaning and groaning.

Of course I was wildly excited...

Sissy, an adult performer! Doubtless she had done the scene while working her way through college; Sissy had gone to school on the West Coast where such opportunities were plentiful.

I stood at the door to the meeting room, keeping one eye on the screen, the other on the library proper. The stacks were deserted. Sissy sat behind the circulation desk reading a paperback novel. We were the only two staffers closing tonight; our colleagues had gone home at six.

Aiming the remote at the projector, I pressed the play button. Should a stray patron wander in my direction I would have plenty of time to stop the movie. Thankfully this didn’t happen. I was able to watch Sissy’s scorching hot scene in its entirety and without interruption.

“Not bad, eh?” Sissy asked me as the end credits

appeared on the screen. It was five till nine. She had already locked up for the night. A ring of keys dangled from her hand. A cunning smile creased her youthful features.

“Wow, Sissy, I don’t know what to say.”

“No?”

“That was—well—you were fantastic.”

“I thought you’d like it.”

“I loved it.”

“Yeah?”

“Definitely.”

“Did it make you wet?”

Sissy’s bold question didn’t surprise me in the least. Having just viewed her scene three times in a row, I knew she was one seriously uninhibited gal.

“I bet it did,” she pressed. “I bet your pussy is dripping.”

That’s when I grabbed her free hand and guided it under my skirt. Her fingers pressed against my moist slit, probing through the sheer cotton of my panties. I raised the remote and killed the power. Sissy’s dirty movie no longer interested me.

We had already started work on the sequel.

Slouched in a plastic chair, skirt hiked above my hips, panties forgotten on the floor, I pulled my legs

back as Sissy pushed them apart. She crouched, spitting on my cunt as she did so. Then she went to work, amazing me with her oral skills. She was eight years my junior, but the gal could eat pussy like a seasoned pro.

I watched with increasing excitement as she licked my crevice, gliding her talented tongue up and down, periodically plunging it into the fiery depths of my hole. I dropped a hand and rubbed my clit, breathing faster and faster.

Sissy peered at me as she took a breather. "That dildo," she said, "the pink one I used in the scene..."

"What about it?" I uttered breathily.

"I still have it. It's in my purse. I bring it to work everyday."

"Now I know why you're always in the bathroom. And here I thought you suffered from an overactive bladder..."

Sissy got a kick out of that one, laughing as she padded across the floor. She was gone maybe half a minute before returning with the dildo. Sure enough, it was the same one she had used in the scene I had just watched.

"My pink pussy eater," she said, kneeling before me.

Sissy teased me with the toy, tapping its bulbous glans against my cunt lips, poking and prodding my clit, driving me wild with urgent need. Finally she pushed it inside me. The phallus stretched my snatch with its rigid length and girth.

"Feels good, doesn't it?" Sissy inquired.

"Shut up and fuck—"

"Well, I'll be damned!"

We both started, jerking violently at the explosive intrusion. Our heads swiveled together in unison to see our boss, the branch manager, standing there with mouth agape and the front of his chinos tented with a pulsing hard on.

Rising from the chair, I straightened my clothes with frantic haste. A blushing Sissy tried to act as nonchalant as possible—a tall order considering the compromising nature of our situation.

Caught in the act!

At work!

Surely we were about to get fired. Yes, my boss's crotch bulge was a telltale sign that he had been turned on by our coupling, but that didn't mean he was going to grant us clemency. He had a job to do, policies to enforce, standards of employee conduct to uphold.

I waited for the gavel to drop.

"Talk about surprises. I come to check on Movie Night," he said, "and get treated to a live sex show starring two of my employees..."

"I'm so sorry," Sissy pleaded. "It'll never happen again."

You're right about that, I reasoned. Because we're about to be unemployed.

The boss appraised the floor amusingly. Sissy had dropped the dildo beside my panties which I hadn't yet had time to put on. The phallus glistened with my juices. He didn't seem at all bothered by this in the least. To the contrary, he raised the toy and sampled its aroma like a tycoon smelling a top shelf cigar.

Then he offered the dildo to Sissy. Reluctant to touch it, she peered at the thing as if it were a venomous snake. "Go ahead," the boss exhorted,

"take it."

Sissy relented and grasped the toy with one hand. Poor girl. Her face had turned an even deeper shade of crimson. She was mortified. And I was, too. Until our boss told us to continue.

"You heard me," he said. "As you were..."

Sissy and I were stunned speechless; neither of us moved a muscle as he urged us to resume the party.

The boss said, "You don't have to, of course. It's

entirely up to you. But I was enjoying the show immensely."

I peered at Sissy, trying to read her reaction. Her expression betrayed total bafflement and uncertainty.

"Relax," he continued. "Your jobs are safe. And I'm not trying to coerce you into doing something that you don't want to do. I just think it would be a shame to waste such a wonderful opportunity..."

I was all for it. Men. Women. I liked both. But I wasn't sure about Sissy. For all I knew she found men utterly repulsive. I looked at her again to gauge her reaction, wishing she would say something, do something...

She must've read my mind; because she promptly pushed me back into the chair and knelt, wielding her pink pussy eater like a magic wand. I hiked my skirt and spread my legs for the second time that night, parting my pussy lips with my fingers.

Sissy plunged the toy into my twat. I grunted, urging her to fuck me in earnest. She proceeded to pump the dildo in a spiral motion. Rubbing my clit frenziedly, I gasped as she licked my donut hole, darting her tongue in and out of my tight starfish.

Having unzipped his chinos, our boss stood there shucking his cock. "Perfect, Sissy. Just like that, sweetie. Eat her dirty asshole..."

Spurred by his encouraging words, Sissy rimmed me with raunchy exuberance. Her hot tongue brushed, poked, prodded and plunged; this as she continued to ream me with her trusty dildo. My gaze oscillated between this and my boss who, having ceased tugging his prick, stepped forward and thrust his pelvis in my face.

I opened wide, receiving his dick with my hungry mouth. He placed his hands atop my head, holding me steady while fucking my face, sinking his tool to the hilt with each forceful thrust. His glans pressed the

back of my throat, triggering my gag reflex as his balls slapped my chin.

This continued unabated for some time before Sissy raised her face, took one look at our boss's big cock, and said, "This cowgirl is ready to ride!"

My uncertainties regarding Sissy's opinion of men were summarily dashed as she impaled herself on his mammoth rod. The boss had taken my place, claiming the seat so that Sissy could ride him good and proper. She had opted for the reverse technique, enabling me to

watch her tits bounce as she moved up and down.

Sitting atop the refreshment table, one foot hiked up on its smooth surface, I skewered myself with Sissy's pink pussy eater, jabbing it in and out of my quivering cooze.

It didn't take Sissy long to reach the pinnacle of pleasure. Her frenetic pogo-motion in tandem with the boss's stamina made her shiver and moan, obvious signs that she was in the throes of a powerful orgasm.

Her climax heralded mine. In a matter of seconds I came harder than I had in quite some time. Sissy disengaged from the boss's lap, beckoning me to join her. Converging on our sitting boss, we knelt before him, taking turns sucking his dick until he blew his wad all over the floor.

It wasn't until everybody had gotten dressed that our boss noticed the DVD case be-

side the laptop.

"*Sizzling Solo Sluts #7*," he remarked. "One of your best, Sissy. Though I've always been partial to *Alcoholic Anal Apocalypse*."

She looked nonplussed. I didn't say a word.

"Oh, don't look so surprised. I know all about your porn work. I recognized you the day you interviewed for this job."

"You did?"

"Of course," he said. "It's the reason I hired you!"

TICKLING THE IVORIES

I look good posing naked on this piano, don't you think? I took piano lessons a long time ago, and I think I did really good, but never really stuck with it. Today, I see a piano when we are at a location doing a photo shoot. It's beautiful, and yes, I end up naked on top of it. Now that's really fun!

Riding Shotgun

Loose gravel alongside the highway crunched beneath Sheriff Libby's cowboy boots as he scanned the crash site for debris.

The one-car accident had claimed the seventy-seven-year-old driver's life. The county meat wagon had come and gone. A gaggle of paramedics, firefighters, and sheriff's deputies watched a wrecker truck pull the demolished sedan out of the copse of trees where its doomed journey had terminated.

Libby wasn't really expecting to find anything; he just needed to distance himself from the other first responders. This one was a little too close to home.

His mother was the same age as the deceased. He had yet to take her keys, but the prospect had been weighing on him for quite some time. She had no business operating a motor vehicle, no more than today's fatality.

Now, wading through tall grass and weeds, he entered the woods, relieved to be out of the hot sun. Felled trees marked the car's wayward path. Thankfully the driver had been wearing her seatbelt; otherwise they'd still be scraping her from the thick trees that had rendered her car a gnarled hunk of twisted metal.

There's nothing to see here, Libby reasoned, nothing but trees and poison oak and litter. "What the hell?" he muttered. The fleshy color of the thing caught his eye. His curiosity piqued, he trudged deeper into the woods to investigate, experiencing quite a jolt when he reached the spot.

It was a dummy. Well, not exactly. Mannequin?

He had bought her a new dress at a fashionable boutique, replacing the old one she had been wearing the day of the crash.

No, that wasn't the word either. Doll was more like it. Sex doll. And not just any sex doll. This was one of those ultra-realistic, high-dollar numbers he had

seen on the internet.

Libby had encountered some strange things throughout his career in law enforcement, but this was definitely the strangest. His sleuth's brain put two and two together. He scratched his head. "Now why in the world would a little old lady . . ."

The doll had been ejected from the car.

Three weeks had passed since the accident, three weeks in which Libby had failed to consummate his relationship with the doll.

On the day of the accident, he had returned to the crash site just after sundown, using his flashlight to retrieve the doll from the dark woods before stowing it in the trunk of his personal vehicle. Once home, he had cleaned the doll assiduously, ridding it of its cloying old woman smell.

Still, he had been unable to bang the thing. Something about screwing a doll that had belonged to a dirty old lesbian grandma seemed so wrong on so many levels. Even after cleansing the doll's three holes with lots of soap and warm water, he had been unable to go all the way.

Now he sat on his bed, peering at the doll stretched out beside him. He had bought her a new dress at a fashionable boutique, replacing the old one she had been wearing the day of the crash. He liked the new one much better; it was strapless and extended to mid-thigh, clinging to

her trim figure. The black material matched her Raven hair, while contrasting sharply with her creamy white skin.

If only he could overcome his hang-up about fucking a grandma's sloppy seconds. It shouldn't have been an issue. After all, he had had the balls to bring the doll home. So what was the problem? She was squeaky clean, every last trace of her previous owner long-since scrubbed away. In theory, at least.

He regarded the doll and said, "I'm sorry, baby. I don't know what's wrong. But it's definitely not you. Why, you're the most beautiful—"

And then it hit him, a burst of clarity striking with the suddenness of a lightening bolt. The old lady's daughter, the one he had had to console after delivering the grim news. Of course Libby hadn't mentioned the doll to her. At the time it had hardly seemed appropriate. But now . . .

Did the daughter know about her late mother's fetish? Did she need to know?

Perhaps the doll had played some role in the woman's death. According to the daughter, her mother had recently lost her second husband to cancer. Had she discovered the doll in a basement or cellar, freaked out over her late hubby's pervy predilection, and decided to get rid of the thing? Had debilitating distress caused her to lose control of her car? Maybe, maybe not. Either way, Libby was withholding information from the grieving daughter. And that was just plain wrong.

"Tell her," the sheriff said to himself. "She needs to know. It was her mother, for crying out loud . . ."

Libby apologized for dropping by at night without an invitation. Lori Lacoste, the daughter of the deceased, told him not to worry, then ushered him insider her small town house. The veteran lawman was nervous.

"Is something wrong, Sheriff?"

"Not exactly," Libby replied. "Just something that's been on my mind."

"About my mother?"

"Why don't we sit down, Ms. Lacoste."

"Lori, please."

It had been hard to spill, but spill he had, every last detail. Lori had burst into uncontrollable laughter. Not the reaction the sheriff had been expecting.

"You thought," Lori struggled to regain her composure, "my—my mother—was some kind of—kinky carpet munching grannie—"

"More or less."

Lori broke down yet again, doubling over with hilarity as Libby, sitting beside her on the sofa, felt relieved, yet awfully foolish at the same time.

"My mother read too many true crime books," Lori explained after she had recovered. "After my stepfather died she was terrified of driving alone, especially on the highway. She was convinced that a serial killer would see her cruising along all by herself and run her off the road. She felt much safer with the doll riding shotgun. It made her look like she had a passenger."

Libby couldn't contain the smile on his face. "Why didn't she just get an old department store mannequin? That would've been a hell of a lot cheaper."

"Sure," Lori said, "but not nearly as realistic. I mean, hey, you've seen her doll. Talk about lifelike!"

Libby offered to return the doll, but Lori declined his offer. He lied, telling her that it was being stored in the evidence vault. "That's hilarious," she said. "I can see it now, stashed in there with bags of dope and stolen firearms."

"Crazy, I'll admit." He thanked her for her time, and got up to leave.

"What's your rush, Sheriff?" Lori asked him. "The night is young. I was just about to open a bottle of wine..."

The chilled Shiraz had an aphrodisiac effect on Lori. Libby, a diehard beer drinker, had never been much for wine, but that was all she had so he went with it. And he certainly wasn't complaining. He drank with mounting excitement as his hostess became increasingly flirtatious.

Lori Lacoste was a good looking woman. Mid thirties, he guessed, ripe and ready for a reaming. At least she seemed to be ready. Still, Libby felt it wise to let her make

the first move. Thankfully she didn't make him wait too long.

Lori downed her wine, set the empty glass on the coffee table, and peered at him with animal cunning. "This ordeal has been terribly depressing, Sheriff. But I'm glad you're here."

"I'll help you in any way I can."

"That's generous of you."

"I'm a generous man."

"I'll bet you are." Lori slid across the sofa until their bodies touched. "I'm still grieving, Sheriff. Can you help me with that? Can you cheer me up?"

Libby stood and shed his clothes, prompting Lori to do the same. Having disrobed, she reclaimed her spot on the sofa, leaned back and spread her thighs. She rubbed her hairless pink gash, prepping herself with deft fingers. Libby stepped forward, all but thrusting his cock in her face.

Still diddling herself with one hand, Lori used the other on her D-cup tits, roving and caressing the ample flesh as she took him in her mouth. Libby placed his hands atop her head, holding it stationary as he drove his hips, plunging his cock repeatedly.

He fucked Lori's face with forceful jabs, relishing the tightness of her lips cinched around his tool. His balls slapped her chin as he drove it home, boring into the depths of her throat. This continued unabated until Lori pulled back for a brief breather, sucking in a lungful of air before devouring his balls. She licked and sucked greedily, shellacking his stones with slutty fervor.

Libby reached down to stroke his shaft, but she beat him to it, employing the hand she had been using on her tits. She tugged him expertly, sliding her palm up and down, treating him to a world class handjob while continuing to service his balls.

The sheriff was harder than a brickbat, and dying to fuck her. He stepped back, disentangling himself from his hot and horny hostess, and told her to flip over.

"Gladly, Sheriff," Lori told him.

Once she had assumed the position, he moved behind her shapely rump, hunched over, and guided it home. Her pussy clenched his cock, eliciting a grunt from the lawman as he savored its snugness. Lori moaned as he filled her snatch, moaned and groaned and raised her ass for a thorough doggy rutting.

Holding her hips, Libby started slowly, teasing her with a series of slow thrusts. Lori lowered her face to the sofa, angling her spine as she took it from behind. This was a

mere preamble, she knew, before things intensified.

It wasn't long before the sheriff increased the speed of his thrusts, driving his cock like a hot piston, faster and faster. He tapped her ass with ferocity, plunging deep with each stroke, making her yelp and wail. He knew his job was done when she shivered with orgasmic delight.

On the brink of exploding, he pulled out while she flipped over and lay back. Lori fondled her massive tits, urging him to finish between them. Libby was more than happy to accommodate her. He bent forward and slid his glistening dick into the soft crevice of her cleavage. Licking her lips lewdly, Lori pressed her tits together, clenching his glistening cock between them.

Half a dozen thrusts did the trick. The sheriff erupted, spraying her features with a hefty helping of ball sauce. Some minutes later, after they had gotten dressed, Libby noticed the dreamy smile on Lori's face.

"Feel better?" he inquired.

"Much better," she replied. "Thanks to you."

Libby drove back to his bachelor pad and took a refreshing shower. Having informed Lori about her late mother's doll, he felt much better. The mystery had been solved. Of course he had neglected to tell her that he had claimed the doll as his own.

The sheriff wasn't about to share this piece of information. Lori was liable to talk. And he was up for reelection this year.

Lori fondled her massive tits, urging him to finish between them. He bent forward and slid his glistening dick into the soft crevice of her cleavage.
